**Tasting Notes** This Riesling – with its beautiful and clean medium yellow colour with green hues – is one of the southernmost wines in the world. Clean cut, sharp and distinct notes of citrus – lemon, lime and grapefruit – mingle in with quince and white flower touches. In mouth it's fresh, balanced, and full bodied. Fruity flavours, light grass notes along with mineral complexity round up this lovely, elegant and unique wine. Great, with a strong personality.
