carmenere

WINE	VARIETY	HARVEST	WINE COMMENT / MEDIA / AUTHOR
------	---------	---------	-------------------------------

Cono Sur	Carmenera	2008	"Those looking for a lean alternative would probably enjoy the 2008 Cono Sur Carmenera. It has distinct aspect of white pepper and cedar in its aroma, with berry and currant flavors on the palate. Pair this with well-seasoned, roasted poultry – a robust preparation of duck or quail would be especially nice." Thomas Caestecker / Chicago Budget Wine Examiner / USA
Cono Sur	Carmenera	2008	"Very juicy, with forward, tasty flavours of plum, blackberry, tobacco and roasted vanilla. There's a nice dash of grip on the finish. Drink now." James Molesworth / Wine Spectator Magazine, March 2009 / USA
Cono Sur	Carmenera	2006	"Deep ruby. Smoky dark berry and cherry scents are complicated by gently musky notes of underbrush and cocoa powder. Round and fleshy, with sweet dark berry flavors, supple tannins and good finishing grip. Offers impressive texture for a wine at this price and represents outstanding value." Josh Raynolds / International Wine Cellar / USA
