

WINE	VARIETY	HARVEST	WINE COMMENT / MEDIA / AUTHOR
------	---------	---------	-------------------------------

Cono Sur Visión	Riesling	2008	" A wine rich in texture, is the classic wine for an aperitif, but also has a very nice sweetness, almost citric, with ripe and voluptuous flavours." Guía descorchados 2010 / Chile
Cono Sur Visión	Riesling	2008	"These vines must be a reasonable age by now and this is the best vintage of this Riesling from the far south that I can remember. Very pure and fresh with wonderfully bright fruit and only just off dry. There's still just a slightly astringent note on the finish but it's very respectable and should keep awhile." Jancis Robinson / Wines of Chile Annual Trade Tasting / UK
Cono Sur Visión	Riesling	2008	"Bright straw. Spicy lemon – lime and pear aromas are complicated by chalky minerals and honeysuckle. Racier and more precise than the regular bottling, with tangy citrus and green apple flavors and good back-end snap. Gains weight with air and finishes with lingering peach and mineral character." Josh Reynolds / International Wine Cellar Mar-Apr. 2009 / USA
Cono Sur Visión	Riesling	2007	Silver, Best in Class, IWSC 2008 "Exciting varietal character, classy, with a touch of minerality, lime and grapefruit. It has a brilliant pale greenish straw colour with golden flecks. The first palate is sweet, followed by well defined crisp texture and finish with true delicacy. Cool climate elegance, impressive, exemplary winemaking." International Wine & Spirits Competition / UK
Cono Sur Visión	Riesling	2007	"Bright and juicy, with a nice mineral edge to the Pink grapefruit, lime and candied lemon Peel notes. Tangy, driven finish. Delicious. Drink now through 2009." Wine Spectator Magazine / USA

Cono Sur Visión

Riesling

2007

“The cool, mineralic swoosh of this Riesling, glittering with sharp citrus flavours, from one of the much talked-about cooler climate areas in Chile, would make a lively aperitif and be a good match for canapes.”

Victoria Moore / The Guardian / UK
