PINOT NOIR ROSÉ

2017

Grape
Appellation

Pinot Noir
Bio Bio Valley

Tasting Notes

This Pinot Noir Rose has a bright, clean, elegant rosewood coloring. There is a full expression of fresh fruit reminiscent of cherry, strawberry, raspberry and forest berries present in the nose whereas on the palate this wine is fresh and juicy with good acidity and balance. Best enjoyed before a meal as an aperitif or with desserts such as fruits and cakes.

Vineyard Growth

Soil
Climate

Mineral soils with red clay.
Cold due to its latitude, with temperatures rarely higher than 29°C.

Harvest

Hand picked
March 10-15, 2017

Winemaking Highlights

Winery
Ageing Process
